August 5, 2009

Dear Parents:

Wow!!!! It is hard to believe that the summer is ending already. We are having so much summer fun with water play, the sandbox and water ice treats. However, all summer events will be ending as we prepare for "back to school". In September, we will send home guidelines for our academic school year. Please prepare yourself for having supplies (crayons, scissors, pencil's etc) at home for your child to complete at home tasks. We also can not stress enough how important it is to assist your child with learning, please work on letter recognition, identifying his/her name, colors, shapes and numbers. If your child can write their name, can they tell you the letters? Reading is also an essential component in the love of learning. Develop a routine of reading to your child on a daily basis, maybe a quite cozy bed time story?

As far as any upcoming events, we will host a good-bye lunch for our children who will be leaving us in September to go to kindergarten. This will be a special day but also a sad day because these children have been with us since they were babies. We will miss all of our families. We have developed a special relationship, we are very proud of our children and we want to thank you for allowing us to share these years with you.

As the new school year approaches we will add new pictures to our website so please make sure we have your email address. You will also receive our full academic calendar each month.

Please keep us up to date of any scheduling changes. Also, please return any medical forms it is extremely important to keep our records up to date.

Sincerely,

Trisha McGehrin
