News letter for March

Week 3/5/12-This week we will explore weather “March comes in like a lion and out like a lamb”. Science experiments will include ice, and rain measurements. Math: using our calendar we will document our temperatures and see how the weather warms up for spring☺ our weather book “Whoopee Wind”. All of our art/lang. arts activities will reflect weather.

Week 3/12/12- St. Patrick’s Week- In science we will explore the rainbow and how we get to view them in the sky. We will work on mixing colors ,making shamrocks and all things related to the color green. Please wear your green on 3/16/12. We will have a green yummy cooking activity.

Week 3/19/12- Yeah Spring has finally Sprung☺ Science we will plant flowers and observe there growth. Math- counting and ordering. Reading-big book read aloud (spring/season related). All craft activities will reflect spring themes.

Week 3/26/12- March goes out like a lamb-This week we will explore the five senses
